

# Church Governance Workshop

Canberra Region Presbytery in conjunction with Sydney Presbytery is pleased to invite Church Council members to the Church Governance Workshop.

This workshop is designed to provide training and information on your wider responsibilities as a Council and best practices. You will be invited to participate in focus sessions for Chairpersons, Secretaries, Finance and Property. Group activities provide participants an opportunity to share knowledge and speak with Sydney Church Council members who have real hands on experience in the types of issues and decisions your Council deals with.

In this age of compliance and regulatory reporting your Church Council members cannot afford to miss this workshop.

## Who can attend?
