WHO WE ARE

Foodbank is Australia's largest food relief organisation, providing food assistance to individuals and families across NSW and the ACT. We partner with over 660 charities and schools to distribute food to those facing hardship, with 186,877 people receiving food assistance each month.

WHAT WE DO

Foodbank NSW & ACT works closely with the Australian food and grocery industry, farmers, wholesalers, manufacturers and retailers to provide food relief to Aussies doing it tough. This is possible by supplying food and grocery items to our charity partners who then prepare meals and distribute food to people in need in their local communities.

"FOOD IS A GATEWAY AND A CONNECTION POINT TO PEOPLE IN NEED IN OUR COMMUNITY."

"THE NEED FOR FOOD IS OFTEN THE TRIGGER FOR PEOPLE TO ASK FOR HELP."

- EMERGENCY RELIEF COORDINATOR, WESTERN SYDNEY

HOW WE HELP YOU

Foodbank can help you add food relief to the list of support services you currently provide to your clients. Through Foodbank, you give your community the opportunity to receive more food than they would get from a supermarket voucher.

The food can be used for community kitchens, prepared meals, emergency food relief and food pantries. Some of our charity partners use our food to teach valuable skills like leadership, responsibility and even how to cook.

One of our charity partners, The Salvation Army is able to provide a variety of services to their clients through Foodbank. They have a pantry full of affordable groceries, emergency food relief, and a community kitchen to serve people in need whilst also teaching essential cooking skills that can be valuable in their future.

**"FOOD IS ONE OF THE SIMPLEST WAYS WE CAN HELP PEOPLE AND
FOODBANK MAKES IT SO EASY AND COST-EFFECTIVE FOR US."**

HOW IT WORKS

After applying for a free Foodbank membership and being approved, you will receive login details to our online ordering portal.

This portal will allow you to order food*, which can be delivered for a small fee per pallet or alternatively, you can pick up your order from our warehouse in Glendenning.

Charities must be registered with the Australian Charities and Not-for-Profit Commission (ACNC), maintain relevant insurances and have the means to distribute food in their local area.

*Currently all fruit, vegetables and bread are free of charge, whilst some other products attract a small handling fee.
